Aims and Activities of UNED

- **UNED MISSION:**

- Making accesible higher education to every kind of population, with a blended learning system and helping to adquire and improve Digital Competence, Learning to learn and Sense of initiative and Entrepreneurship

- **SOME REMARKABLE FACTS AND DATA ABOUT UNED:**

- With more than 205.000 students, **UNED has the largest student population in Spain**, and is **one of the largest universities in Europe**
- Since 1972, UNED has sought to translate into action the principle of **equal opportunity in access to higher education** through a **methodology based on the principles of distance learning**, and focused on the needs of the students
- UNED is the leader in the implementation of **cutting edge technologies** applied to learning, **with the largest offer of virtual courses in Spain**

**2030 Agenda for
Sustainable Development**

**Plan for International
Strengthening,
Cooperation and
Sustainable
Developmenty Goals
(SDG) UNED 2020**

- The **internationalization of university** higher education, defined as the **process of integrating a** international, intercultural and / or **global dimension into the objectives and functions of Higher education is an essential factor in the reform to improve the quality and efficiency of the university** as it reinforces the principle of universality that inspires the mission of the university
- It is a **continuous and cross-cutting process that affects the entire university organization**, and one of the necessary levers for its transformation. **Universities**, due to their work of generation and dissemination of knowledge and the supreme situation within society, **are called to play a role fundamental in the fulfillment of the 2030 Agenda** and its 17 Sustainable Development Goals (SDG)
- The **UNED**, assuming the commitment to the **2030 Agenda**, has prepared a **Strategic Plan (2019-2022)**, in which internationalization and the Sustainable Development Goals are established as transversal axes in education, research and transfer and governance
