IEF – Private Foundation Institut d'Estudis Financers

The Private Foundation Institut d'Estudis Financers (IEF) is a prestigious learning institution specialized in financial and banking training and Financial Education. IEF was conceived and created in Barcelona by organizations from within these sectors to foster competitiveness, efficiency as well as to enhance the internationalization and innovation of the finance sector as a whole.

The two majors objectives are:

- Aim to provide the most rigorous and highly practical training for professionals in the field of finance, achieving the highest levels of quality, efficiency and prestige in the process.
- Use training and applied research activities and dissemination to promote the creation of initiatives to reinforce our country's financial sector and situate it within a comprehensive framework at the international level.

The accreditations IQNET and ISO 9001 certify the highest levels of quality, efficiency and prestige in the IEF processes.

IEF – Private Foundation Institut d'Estudis Financers

With 30 years of experience, the IEF has carried out training activities in which more than 120,000 professionals from all areas of the financial sector have participated, and 250,000 users.

Since 2008, the IEF has been developing financial education projects at a national and international level, aimed at society as a whole.

It has also participated in European Commission projects and is the only Spanish member of the European Association of Banking Training Institutes (EBTN), which integrates the 40 most prestigious financial training institutes in 32 countries.
