# **EBTN: European Banking & Financial Services Training Association Aisbl**

EBTN is an international not-for-profit association, registered and located in Brussels (Belgium) at the premises of the European Banking Federation. It was established on 4th November 1991.

The current Association has more than 30 Members: Associations, Institutions or Companies having an established relationship with representative national banking and financial associations or an established relationship with the majority of the national banking and financial services institutions.

The Association is governed by two bodies, the General Meeting of Members and the Board of Directors. The General Meeting is the supreme authority and the Board defines the general policy.

# **EBTN: European Banking & Financial Services Training Association Aisbl**

The vision of EBTN is to become the standard-setting body for the accreditation, certification and qualification of knowledge, skills and competences in the European financial services sector.

The mission of EBTN is to create professional education standards in Europe, enrich the professional European culture and enhance both European as well as international relations and alliances.

Over the last years, EBTN initiated and coordinated various European projects in the field of lifelong learning, qualifications, ECVET, EQF, EQAVET.

EBTN, internally, has also established the Financial Literacy Committee (FinLiCo), the Quality Assurance Committee (QuASCo) and the Triple E Accreditation Committee.
