Sending to the Ministry of Education Research and Religious Affairs and to other regionals directorates of the 12 different regions of Greece the produced material of the Mobile units 	

Do you expect to submit other projects linked to TRAIL? (please explain)

Due to our experience from TRAIL project, we already participate as partners in an Erasmus+ project called "against Bubble" that is focusing a specific target group which is often victim of bullying behaviours: pupils with autistic spectrum disorders (ASD) and intellectual disabilities special learning needs or behavior disorders and are waiting for its approval by IKY
